SAFE Liaison Interest Form

Students Advocating For Everyone (SAFE) Liaisons are student leaders in the Greek Community who provide awareness, knowledge, and skills to fraternity and sorority members to create positive and sustainable change within the Iowa State Greek Community. SAFE Liaisons will participate in conversations and dialogue with staff and administrators to heighten the visibility of Lesbian, Gay, Bisexual, Transgender, and Queer members and advocates within fraternities and sororities in our Greek Community.

The purpose of the SAFE Liaisons at Iowa State University is to educate our fraternity and sorority community on issues affecting LGBTQ students to create a more welcoming and accepting environment for all students regardless of sexual orientation, gender identity or gender expression. These issues include, but are not limited to, race, ethnicity, masculinity, femininity, heterosexism, homophobia, mental health, anti-hazing and sexual assault.

SAFE Liaisons will commit to:
- Leadership positions from January – December 2014
- Attending a retreat in beginning of Spring 2014 semester
- Attend and actively participate in weekly meetings and discussions
- Plan and implement Greek Community wide events/initiatives/workshops
- Collaborate with various offices and staff on campus to educate members on peer to peer dialogue and intervention through a social justice lens

Applications are due Friday, December 6th
