Collegiate Panhellenic Council Multi-Year Strategic Plan (2017-2020)

Goal #1: Encourage and engage in a community approach
- **Plan:** Collaborate with the Interfraternity Council, Multicultural Greek Council and National Pan-Hellenic Council, Iowa State student organizations and departments, and Ames area organizations to plan events. Encourage and provide opportunities for Panhellenic Presidents and chapters to collaborate with chapters within all councils.

Goal #2: Utilize the CPC Endowment Fund
- **Plan:** Create and implement a scholarship program for Collegiate Panhellenic Council women with the endowment.

Goal #3: Continue to promote the well-being of all Panhellenic members
- **Plan:** Provide programming and education for women in regards to mental and physical health, sexual assault awareness, academic success, and social justice education. Work with outside organizations and CPC chapters to ensure that the expectations being put on Panhellenic women align with our community and council’s values.

Goal #4: Continue to fill out and submit the Sutherland Award and NPC Award of Excellence application packets
- **Plan:** Apply to the Sutherland award with the Association of Fraternal Leadership and Values and the NPC Award of Excellence with the National Panhellenic Conference annually.

Goal #5: Continue to promote a values-based recruitment
- **Plan:** Encourage a values-based recruitment to create more meaningful conversations during primary recruitment through the iValU/WeValU program. Continue to uphold values throughout recruitment and following recruitment.

Goal #6: Continue to practice in conversation and action with Panhellenic women and Greek Community members about social justice.
- **Plan:** Engage the community in social justice conversations to spread awareness about how important social justice is for all and for everyone to work at building an inclusive environment for individuals in our community.
